Education

Drexel University, Philadelphia PA 19104
Bachelor of Science in User Experience and Interaction Design;
Minor in Architecture
Anticipated Graduation: June 2028

Project Experience

UX/UI Designer, Ram's Diner Website Redesign
Sept 2023 – Present
- Created user personas based on user research to identify problem areas and user preferences
- Developed a variety of low-fidelity wireframes, color palettes, and typography using Figma for visualization
- Analyzed feedback and curated an enhanced interface interaction for the target audience while keeping the brand's integrity

UX/UI Designer, Mobile Portfolio Website Design
Sept 2023 – Present
- Generated sitemaps, visual palettes, and wireframes for better understanding of usability on Figma
- Created a visually appealing and user-friendly interface with navigation and accessibility in mind
- Resolved initial project challenges, enhancing user experience through proactive modifications to the original wireframe ideation

Architect Designer, Lancaster Avenue Row House Design
Jan 2023 – March 2023
- Designed a multifunctional space with a modern restaurant and two upper floors of apartments, adhering to project restrictions
- Integrated exterior aesthetics to seamlessly blend with the surrounding community, achieving a balance of modernity and local architecture
- Meticulously detailed floor plans, employing multiple model iterations for a comprehensive and refined project

Work Experience

Front-end Employee, Giant
June 2023 – Present
- Maintained a safe and clean work environment to guarantee customer needs
- Supervised trainees and aided in their understanding of company policies while working as a team member
- Processed cash and credit transactions in a fast-paced, high-volume retail setting
